TRANSPORT WORKERS UNION LOCAL 229

DECISION, ORDER, AND DIRECTION OF RERUN ELECTION

The National Labor Relations Board has considered objections to an election conducted by secret ballot held November 12, 2013, and the hearing officer's report recommending disposition of them. The election was conducted pursuant to a Stipulated Election Agreement. The tally of ballots shows 24 ballots cast for and 22 ballots cast against the petitioner, with 0 void ballots and 0 challenged ballots, an insufficient number to affect the results.

No exceptions have been filed to the hearing officer's report within the time provided. Accordingly, the Board adopts the hearing officer's findings and recommendations.¹

_

¹ The Hearing Officer recommended that the Employer's Objection No. 1 be sustained, the November 12 election be set aside, and that a rerun election be conducted. In addition, the Hearing Officer found that the Employer's additional objectionable conduct did not raise substantial or material issues affecting the results of the election, and recommended that the additional objectionable conduct be overruled.

IT IS ORDERED that this proceeding is remanded to the Regional Director for further appropriate action consistent with the Hearing Officer's Report on Objections, including the conducting of a rerun election.

Dated, Washington, D.C., May 30, 2014.

By direction of the Board:
